Gratitude to the current committee, other volunteers and sponsors:

- Thanks to our committee members that have provide their time and effort to the club success this year.

- Thanks to our sponsors and supporters being Cellarbrations, PIRTEK, Chubb, Sarah @ La Plancha, Ahrens, Galvin, Gold Touch, Onsite Rentals, Centurion.
- Cleaning of the facilitates has been done by volunteers or key committee members throughout the year saving the club thousands of dollars.
- Thanks to the juniors that provided their time throughout the year, this program has ceased due to administrative effort vs value received.

Provision of advice to the Club:

- Future of the club is reliant on people (the many not the few) stepping up to help and support the clubs ongoing success. This means getting things done without being asked, offering help without being asked, not expecting the committee to always have the time to direct on exactly what needs to be done, just being here when events are on and offering assistance makes them a success.
